Miyako-chan is cheerful and strong.
Ever since I was little, she was my role model.

Miyako-hoo!
Let's do this!
It's Momotetsu, they'll be busy for at least an hour!
Ah, uh, good job.
So, Umi...

I always had my eyes on Miyako-chan
Come here
Uwa... This brings back memories
Right? When family was over, we got extra futons from here
I see, that's right

There's not much room with the futons inside
That's right. You normally don't go in here, so it doesn't stand out
And would hide in here.
Or when there was a wedding or funeral, we played hide and seek.
So, about that e-mail you sent me.
SHOCK

...It's cramped.
Are we're so close to Miyuko-chan
